Wellness Recovery Action Plan

Creating the following pages will help you stay well.
Visit these every day.

Page 6   Describe yourself when you are feeling well;
Page 6   List things you know you need to do each day to stay feeling well;
Page 6   Make a list of things you may need to do. Read this sheet every day;

Redo these sheets once they stop working for you and rewrite them.

Triggers
Page 7   Make a list of any events or circumstances that have triggered or increased symptoms in the past;
Page 7   What will you do if any of these symptoms occur?

Early Warning Signs
Page 8   What early warning signs have you noticed when you start becoming unwell?
Page 9   What early warning signs have others noticed when you start becoming unwell?

Part 1

**What I’m like when I’m feeling well**

(Describe yourself when you are feeling well)

---

Part 2

**Symptoms**

(Describe those symptoms that would indicate to others that they need to take over full responsibility for your care and make decisions on your behalf)
Part 3

Supporters

(List those people you want to take over for you when the symptoms you listed above are obvious. They can be family members, friends or health care professionals. Have at least five people on your list of supporters. You may want to name some people for certain tasks like taking care of the children or paying the bills and others for tasks like staying with you and taking you to health care appointments.)

Post Crisis Plan

I will know that I am “out of the crisis” and ready to use this post crisis plan when I:

How I would like to feel when I have recovered from this crisis:
You may want to refer to the first section of your WRAP – “What I am like when I am well”. This may be different from what you feel like when you are well – your perspective may have changed in this crisis).

Post Recovery Supporters List
I would like the following people to support me if possible during this post crisis time:

Signs that I may be starting to feel worse:
Examples may be anxiety, worry, agitated, overeating, and lack of sleep or needing more sleep

Tools I will use if I am starting to feel worse:
Star those items that you should do, the rest will be those you could do.

Things I should do to prevent further repercussions from this crisis and when I will do these things:
People I need to thank for helping me:
